ARRIVAL OF THE ROLEX FASTNET RACE
IN CHERBOURG-EN-COTENTIN

LET US COMMEMORATE THE HUNDREDDTH ANNIVERSARY.

The Cherbourg Fastnet Arrival Association takes great pride in celebrating a remarkable occasion this year: the centenary of the Rolex Fastnet Race! For the third consecutive time, our beautiful region will have the privilege of hosting the finish of this iconic race.

On this special occasion, we wish to convey our appreciation to the Royal Ocean Racing Club and Rolex for their ongoing confidence in our organizing communities. We are dedicated to offering the warmest welcome to the fleet and ensuring an unforgettable finish.

To commemorate this significant occasion, our association—consisting of the City of Cherbourg-en-Cotentin, the Cotentin Urban Community, the Manche Department, and the Normandy Region—is pleased to present nine days of complimentary festivities, which we anticipate will attract a large audience. We have curated a diverse and engaging program, and we are certain that the activities available will bring joy to both the young and the old.

Our goal, through this event, is to reinforce the significance of boating in the region. We welcome you to a magnificent celebration, focused on sharing and togetherness.

We wish to express our heartfelt gratitude to everyone who played a role in the success of this historic edition: the confidence of the English organizers and the Rolex teams, as well as our partners who aided us in bringing this event to fruition. A special thank you goes to the local stakeholders who are embracing this new challenge, to those who are partnering with us once more, to the teams responsible for organizing these festivities, and most importantly, to our committed volunteers, without whom none of this would have been achievable.

We hope you all have a fantastic event!

Manuela Mahier

President of the Cherbourg Arrival Association for Fastnet
